

## PANEL CHAIR JULIA ARGER: FY19 PROJECT GRANTS

The Grant Review Panel charged with reviewing FY19 Project Grants convened in a public meeting at the Nevada Legislative Building, Carson City, Nevada on May 22, 2018.

For complete bios of this year's panelists, please see the additional documents. This year's panelists were:

**Shelly Gilbride, Programs Officer, California Arts Council – Sacramento, CA**

**Charlie Seemann, Executive Director Emeritus, Western Folklife Center - Elko, NV**

**Michael Sweney, Art in Public Places Program Manager, Washington State Arts Commission - Olympia, WA**

## PROJECT GRANTS

- The panelists reviewed and scored 16 Project Grant Applications
- The funding available for this category in FY19 is \$41,375
- The total request for funding was \$95,636
- After panel review and scoring, the total recommended funding is \$69,866
- To honor the thoughtful review and scoring of each application, the panel's recommendation is to apply a 40.8% cut across the board to meet the available funding of \$41,375

\*Please note that one applicant for the Project grant received a score below NAC 60% threshold for funding. This threshold was determined by the NAC Board at the April 2013 Board Meeting. The Children's Museum of Northern Nevada received an average score of 35.

## GENERAL PROJECT PANEL COMMENTS:

Panelists were a little bit confused regarding the 2 budget forms (one within the application that we had to use with GO Smart and one additional custom budget form that was uploaded to the support material). They also noted that they would have liked to see full organizational budgets for all applicants. In the budget spreadsheet, the panelists would have liked to see more applicants give a full breakdown of artist fees to see exactly how much each artist was getting paid. Although the evaluation forms and narrative questions were helpful, the panelists would have liked to see the results of past evaluations as well. Overall the panelists provided substantive commentary and constructive suggestions for improvement.

## PUBLIC COMMENTS:

There were no public comments in person or via email for the Project Grants panel.

## PANEL COMMENTS FOR NAC:

After the panel completed the review process, we asked for their comments regarding the Nevada Arts Council's online grants application system, the review process and any other issue that they chose to share. Here's a sampling:

- The GO SMART system worked fine, but some panelists would have liked to be able to score on the website instead of using paper score sheets
- They felt the orientation webinar and panel binder was very helpful and communicated all necessary information
- Overall, panelists liked having the meeting at the legislature, but some felt it lent an air of formality that may have stifled some more organic conversation about the applications
- Scoring rubric was helpful, but may have been too detailed as it didn't leave much room for interpretation
- In general, panelists enjoyed having a mix of in-state and out-of-state panelists, and said it contributed to objectivity and fairness to have different perspectives
